BOOK SYNOPSIS

Pablo Picassos mural Guernica is on display at the 1937 International Exposition. Both sides of the Spanish Civil War quickly realize that the painting contains clues to the whereabouts of the supernatural Spear of Destiny. Its occult power can change the outcome of the Civil War, just as it has done in other battles throughout history. As Paulas imagination begins to decipher the hidden symbols, Francisco Francos secret agents are not far behind her. They are ready to capture the Spear at the most opportune moment, convinced that impulsive Paula will betray her quest for the Spear. Belonging to the genre of language learner literature, this is an easy Spanish reader containing just 100 new vocabulary words and many English-Spanish cognates.
